CHANGES HAPPEN

We've done our best to include all the up-to-date info in this guide, however there are bound to be changes.

MEDICAL ASSISTANCE

If you are having an issue that requires medical attention, please find the nearest volunteer. A volunteer will direct you to the first aid station.

LOST & FOUND

Lost & Found is managed collectively by our volunteers. If you've lost or found anything, please notify a volunteer and they will be happy to help.

CAN I TAKE PHOTOS?

Taking photos is encouraged! First and foremost, keep in mind our rules around harassment and "cosplay is not consent". Also, filming of panels and Q&As is not permitted in any way. If you're seen to be filming, you will be asked by staff or a volunteer to cease recording and delete the video. Please note that taking photos of guests while they are at their tables is frowned upon. No one likes feeling like an animal in a zoo! We encourage you to find a place in line, meet your favourite star and get a selfie with permission or even better, get a professional picture with them at their scheduled photo op!

WILL GUESTS SIGN AUTOGRAPHS?

Entertainment, Cosplay and Creator guests are open to signing autographs. However, the cost, number of items and decision to decline autographing certain merchandise lies solely with the guest.
